Any such local qualifications shall be flexibly applied.

The Superintendent shall recommend to the Board such new positions or additions to existing employment categories as may be required by the specific instructional needs of pupils of the district and each school within the district.

Positions shall, to the maximum extent possible, conform to certification regulations of the State Board of Education. When district organization requires the creation of a nonconforming, unrecognized position, the approval of the Executive County Superintendent shall be sought before the position is filled.

3112 ABOLISHING POSITIONS

The Board of Education will provide the professional staff necessary for the economical and efficient implementation of the educational program of the district. The Board reserves the right to abolish positions and reduce district staff commensurately whenever reasons of economy, reorganization of the school district, reduction in the number of pupils, or other good cause so warrant. The Superintendent shall continually review the efficiency and effectiveness of the district organization and recommend to the Board the abolishment of positions and the reallocation of duties and positions.

3125 EMPLOYMENT OF TEACHING STAFF MEMBERS

The Board of Education believes it is vital to the successful operation of the school district that teaching staff member positions be filled with highly qualified and competent professionals.

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. The Board shall approve the employment, fix the compensation, and establish the term of employment for every teaching staff member employed by this district.

No teaching staff member shall be employed unless he/she is a holder of a valid certificate in accordance with the New Jersey Department of Education and applicable statutes and administrative codes. The Superintendent shall require proof of any candidate's certification or pending application for certification.

The Board will employ substitutes for absent teachers in order to ensure continuity in the instructional program and will annually approve a list of substitutes and rate of pay. The Superintendent or designee shall select substitutes from the list approved by the Board to serve in the place of an absent teaching staff member.

The Board may use a private contractor to secure a substitute teacher in accordance with N.J.A.C. 6A:9 et seq.

The Board shall approve the employment, fix the compensation, and set the term of employment for each person employed in a summer school program. The Board will employ only those candidates recommended by the Superintendent. Service as a summer school teacher will not count toward the accrual of tenure or seniority.

The Superintendent shall recommend to the Board the employment of qualified coaches for the district's interscholastic and/or intramural athletic programs. The Board will employ as athletic coaches only those persons who have experience in and knowledge of the specific sport, are properly certified, and possess the personal characteristics that qualify them to serve as role models to students.

An individual employed by the Board in any substitute capacity or position shall be required to undergo a criminal history record check in accordance with the provisions of N.J.S.A. 18A:6-7.1b.

An individual, except as provided in N.J.S.A. 18A:6-7.1g, shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for any crime or offense as defined in N.J.S.A. 18A:6-7.1 et seq.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

3126 INDUCTION PROGRAM FOR PROVISIONAL TEACHERS

The Board of Education may employ a holder of a certificate of eligibility (CE) or certificate of eligibility with advanced standing (CEAS) after its mentoring plan has been approved pursuant to N.J.A.C. 6A:9-8.4.

The State-approved district training program shall provide essential knowledge and skills through training that includes on-going mentoring, observations and evaluations, formal instruction in professional education aligned with the Professional Standards for Teachers, and other provisions as outlined in N.J.A.C. 6A:9-8.3(b). The training may be provided by the school district or consortia of districts in conjunction with a college or university in accordance with N.J.A.C. 6A:9-8.4(c). The district or consortium shall submit a written plan for the department's approval. In the event that joint sponsorship with a college or university cannot be achieved, the department may authorize the district or consortium to provide the formal instruction independently or in joint sponsorship with a non-collegiate entity. The district or consortium's written plan shall include documentation of its efforts to secure college or university participation. In the event the district is unable to provide formal instruction to provisional teachers in their employ, the district may provide access to formal instruction through a network of Department of Education authorized providers.

The district's local mentor plan shall be in accordance with the requirements as outlined in N.J.A.C. 6A:9-8.4. All novice teachers are required to participate in a mentoring program that takes place over a period of thirty weeks for provisional teachers holding a CEAS and thirty-four weeks for provisional teachers holding a CE. Provisional teachers shall participate for a proportionally longer period of time if in a part-time teaching position. The mentoring program shall be implemented by the mentor teacher, supervised by the school Principal, and conducted within the parameters of a school district's local mentor plan and the requirements of N.J.A.C. 6A:9-8.3. In the event that no State funds are available to pay the costs of mentoring fees, candidates who are required to complete a provisional year of teaching in order to obtain standard certification shall be responsible for payment of mentoring fees during the provisional year.

A local Professional Development Committee shall be established pursuant to N.J.A.C. 6A:9-15.3(d) and this Committee shall develop a local mentor plan that includes the requirements as outlined in N.J.A.C. 6A:9-8.4(c). The Professional Development Committee shall submit the local mentor plan to the Board of Education for initial approval. The Professional Development Committee shall submit the addendum for the twenty-day clinical experience pursuant to N.J.A.C. 6A:9-8.3(b)1 to the Board of Education for initial approval and to the Executive County Superintendent for final approval. After plan review, the Board shall submit the plan to the Executive County Superintendent for final review and approval. The

Executive County Superintendent shall notify the Department of Education of plan approval. Every three years, the district's mentor plan shall be revised and re-submitted to the Executive County Superintendent based on program evaluation.

The Board of Education shall be responsible for the implementation of the local mentor plan and the district shall submit a report on the effectiveness of the local mentor plan to the Department on an annual basis. The report, using data collected on a Department of Education developed form, shall include program impact on job satisfaction, adequacy of time and training, and recommended program changes and additions. The district shall align the mentor plan with the Professional Standards for Teachers.

The Board of Education shall be responsible to budget any State funds appropriated for the novice teacher mentoring program. The Board shall ensure that State funds appropriated for this program shall supplement, and not supplant, any Federal, State or local funds already devoted to planning and implementing a novice teacher mentor program. The Board of Education shall ensure that State funds shall be used for stipends for mentor teachers, the costs associated with release time, substitutes for mentor teachers and novice teachers, and/or professional development and training activities related to the program.

A Principal or administrative designee authorized to supervise instructional staff shall observe and evaluate the provisional teacher at least three times during the first year of mentoring for purposes of certification. All performance evaluations shall be aligned with the Professional Standards for Teachers as defined in N.J.A.C. 6A:9-3.3 and reported on State-developed forms. Performance evaluations for career and technical education teachers shall also include career and technical education knowledge and skills. Evaluations shall be completed in accordance with the requirements of N.J.A.C. 6A:9-8.6 et seq. Mentor teachers shall not assess or evaluate the performance of provisional teachers. Interactions between provisional teachers and experienced mentor teachers are formative in nature.

Within thirty days after the conclusion of the State-approved district training program, the Principal shall submit the final evaluation directly to the Secretary of the New Jersey State Board of Examiners that shall contain a recommendation regarding standard certification for each provisional teacher. The final evaluation for each provisional teacher shall include a recommendation of approved, insufficient, or disapproved. Candidates who receive a recommendation of "disapproved" or two recommendations of "insufficient" may petition the Board of Examiners for approval of additional opportunities to seek provisional employment in districts other than those in which they received unfavorable recommendations pursuant to N.J.A.C. 6A:9-17.18.

Procedures for such transfers shall comply with provisions of current negotiated agreements and State and Federal law. Disciplinary transfers are prohibited. 3134 ASSIGNMENT OF ADDITIONAL DUTIES

The professional responsibilities of teaching staff members include such extra duties as may be assigned by the Board of Education. The Board will appoint teaching staff members to extra duty positions including, but not necessarily limited to, the positions of department chairperson, account treasurer, co-curricular activity advisor, athletic coach, monitor, and chaperone.

A teaching staff member who requests appointment to an extra duty position may be given preference over other candidates for the position.

Any teaching staff member appointed to an extra duty position is expected to serve unless excused for extenuating circumstances. A member's refusal to serve or resignation from extra duty service without permission may constitute an act of insubordination subject to discipline.

A teaching staff member can accrue no tenure or seniority rights in an extra duty position and is not entitled to reappointment to an extra duty position.

Performance in an extra duty position will be considered in a teacher staff member's evaluation, in determining whether to renew a nontenured member, and in determining which of two or more tenured members with identical seniority entitlements will be retained in a reduction in force.

The Superintendent will inform the Board of extra duty positions required for the implementation of the district's program, post notice of vacancies in those positions, and recommend appointments to those positions.

N.J.S.A. 18A:27-4

Adopted: 30 March 2015

3141 RESIGNATION

All teaching staff members must give sixty days' notice in writing of intention to resign. For all teaching staff members with employment contracts approved by the Camden County Department of Education, the notice required is determined by the terms of the employment contract. Unless the Board approves of release on shorter notice, the Commissioner of Education, in cases where proper notice is not given, may be asked to suspend the teaching staff member's certificate for one year.

The Board directs the Superintendent's office to document those cases in which persons have left the district without meeting contractual responsibilities.

Resignations on shorter notice may be accepted only in emergency situations, and all resignations during the school year shall be discouraged.

The District reserves the right to seek reimbursement and compensatory damages for the costs and fees related to hiring or utilizing substitutes or other services necessitated by a teaching staff member's violation of this policy.

The Board shall discharge that obligation by retaining in service only those nontenured teaching staff members who meet those standards. The Board will renew the employment contract of a teaching staff member only upon the recommendation of the Superintendent and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. A nontenured teaching staff member who is not recommended for renewal by the Superintendent is deemed nonrenewed.

When the nontenured teaching staff member's performance does not meet the standards of the district, the Superintendent shall recommend not to renew the teaching staff member's contract. Prior to notifying the nontenured teaching staff member of the nonrenewal, the Superintendent will notify the Board of the recommendation not to renew the nontenured teaching staff member's contract and the reasons for the recommendation. The Superintendent may notify the Board in a written notice or in executive session at a full Board Meeting. In the event the Board is notified in executive session, the Superintendent will comply with the requirements of the Open Public Meetings Act and provide reasonable notice to the nontenured teaching staff member their employment will be discussed in executive session in order for the nontenured teaching staff member to exercise their statutory right to request a public discussion.

Any teaching staff member who received written notice a contract will not be offered may, within fifteen days of receiving such notification, request in writing a statement of the reasons for nonrenewal. The Superintendent will provide a written statement of reasons within thirty days after the receipt of any such request.

Whenever the nontenured teaching staff member has requested in writing and received a written statement of reasons for non-reemployment, the nontenured teaching staff member shall have the right to an informal appearance before the Board to permit the staff member an opportunity to convince the members of the Board to offer reemployment. The staff member must request the appearance before the Board within ten calendar days of the nontenured teaching staff member's receipt of the statement of reasons. The informal appearance before the Board shall be held in accordance with the provisions of N.J.A.C. 6A:10-8.1.

In place of the usual petition, the Board of Education or the State District Superintendent shall file written charges and the required certificate of determination with the Commissioner together with the name of the attorney who is anticipated for administrative purposes will be representing the Board of Education or State District Superintendent and proof of service upon the employee and the employee's representative, if known. Such service shall be at the same time and in the same manner as the filing of charges with the Commissioner.

In accordance with N.J.S.A. 34:13A-24, fines and suspensions imposed as minor discipline shall not constitute a reduction in compensation pursuant to the provisions of N.J.S.A. 18A:6-10 where the negotiated agreement between the Board of Education and the majority representative of the employees in the appropriate collective bargaining unit provides for such discipline. In these cases, tenure charges shall not be filed to impose minor discipline on a person serving under tenure.

The Board of Education or the State District Superintendent shall determine whether there is probable cause to credit the evidence in support of the charges and whether such charges, if credited, are sufficient to warrant a dismissal or reduction of salary. Pursuant to N.J.S.A. 18A:6-11, all deliberations and actions of the Board of Education with respect to such charges shall take place at a closed/executive session meeting. In the event the Board of Education or the State District Superintendent finds probable cause exists and that the charges, if credited, are sufficient to warrant a dismissal or reduction of salary, then the Board or the State District Superintendent shall file, within fifteen days, written charges with the Commissioner. The charge(s) shall be stated with specificity as to the action or behavior underlying the charges or

the nature of the alleged inefficiency and shall be accompanied by the required certificate of determination together with the name of the attorney who is anticipated for administrative purposes will be representing the Board of Education or State District Superintendent and proof of service upon the employee and the employee's representative, if known. Such service shall be at the same time and in the same manner as the filing of charges with the Commissioner.

The certificate of determination that accompanies the written charges shall contain a certification by the Board Secretary or the State District Superintendent including that a determination was made of the charges and the evidence in support of the charges are sufficient, if true in fact, to warrant dismissal or a reduction in salary; of the date, place, and time of the meeting at which such determination was made and whether or not the employee was suspended and, if so, whether such suspension was with or without pay; that such determination was made by a majority vote of the whole number of members of the Board of Education or by the State District Superintendent in accordance with N.J.S.A. 18A:7A-39.

An individual against whom tenure charges are certified shall file a written response to the charges in accordance with the provisions of N.J.A.C. 6A:3-5.3 et seq. The Commissioner shall determine whether such charge(s) are sufficient, if true, to warrant dismissal or reduction in salary in accordance with the provisions of N.J.A.C. 6A:3-5.5. Any withdrawal, settlement, or mooted of tenure charges shall be in accordance with the provisions of N.J.A.C. 6A:3-5.6.

3144.12 CERTIFICATION OF TENURE CHARGES - INEFFICIENCY

In accordance with the provisions of N.J.S.A. 18A:6-17.3 and notwithstanding the provisions of N.J.S.A. 18A:6-11 or any other section of law to the contrary, in the case of a teacher, Principal, Assistant Principal, and Vice Principal, the Superintendent shall promptly file with the Secretary of the Board of Education a charge of inefficiency whenever the employee is rated ineffective or partially effective in an annual summative evaluation and the following year is rated ineffective in the annual summative evaluation.

If the teacher, Principal, Assistant Principal, or Vice Principal is rated partially effective in two consecutive annual summative evaluations or is rated ineffective in an annual summative evaluation and the following year is rated partially effective in the annual summative evaluation, the Superintendent shall promptly file with the Secretary of the Board of Education a charge of inefficiency, except that the Superintendent upon a written finding of exceptional circumstances may defer the filing of tenure charges until after the next annual summative evaluation. If the employee is not rated effective or highly effective on this next annual summative evaluation, the Superintendent shall promptly file a charge of inefficiency.

Within thirty days of the filing, the Board of Education shall forward a written charge to the Commissioner of Education, unless the Board of Education determines the evaluation process has not been followed.

Notwithstanding the provisions of N.J.S.A. 18A:6-16 or any other section of law to the contrary, upon receipt of a charge pursuant to N.J.S.A. 18A:6-17.3.a, and this Policy, the Commissioner of Education shall examine the charge. The individual against whom the charges are filed shall have ten days to submit a written response to the charges to the Commissioner of Education. The Commissioner of Education shall, within five days immediately following the period provided for a written response to the charges, refer the case to an arbitrator and appoint an arbitrator to hear the case, unless the Commissioner determines the evaluation process has not been followed.

The only evaluations which may be used for purposes of N.J.S.A. 18A:6-17.3 are those evaluations conducted in accordance with a rubric adopted by the Board of Education and approved by the Commissioner of Education pursuant to P.L.2012, c.26 – N.J.S.A. 18A:6-117 et seq.

3144.3 SUSPENSION UPON CERTIFICATION OF TENURE CHARGE

Upon certification of any tenure charge to the Commissioner of Education, the Board of Education may suspend the person against whom such charge is made, with or without pay. However, if the determination of the tenure charge by the arbitrator is not made within one hundred twenty calendar days after certification of the tenure charges, excluding all delays which are granted at the request of such person, then the full salary (except for said one hundred and twenty days) of such person shall be paid beginning on the one hundred twenty-first day until such determination is made.

Should the tenure charge be dismissed at any stage of the process, the person shall be reinstated immediately with full pay from the first day of such suspension. Should the tenure charge be dismissed at any stage of the process and the suspension be continued during an appeal, then the full pay or salary of such person shall continue until the determination of the appeal. However, the Board of Education shall deduct from said full pay or salary any sums received by such employee or officers by way of pay or salary from any substituted employment assumed during such period of suspension.

Should the charge be sustained on the original hearing or an appeal, and should such person appeal from the same, then the suspension may be continued unless and until such determination is reversed, in which event the employee or officer shall be reinstated immediately with full pay from the date of such suspension.

3146 CONDUCT OF REDUCTION IN FORCE

The Board of Education has the right under State law to abolish unilaterally any existing position in whole or in part and to reduce the number of employees in any category for reasons of economy, reduction in the number of pupils, change in the administrative or supervisory organization, change in the educational program or other good cause.

Should it become necessary to reduce the number of employees in the district, the laws and regulations of the State shall be the controlling guides. If, in the case of such reduction, candidates for termination are nontenured personnel only, the primary basis for selection for termination or reduction shall be the needs of the district's educational program and the individual's contribution toward achievement of that program based on properly completed observations and evaluations.

If, in the case of such reduction, candidates for termination or reduction in grade are tenured in this district, the State regulations regarding seniority shall be the primary basis for decision. In the event that there should be equal applicable seniority among staff members, the decision for reduction or termination shall be based on the needs of the district's educational program and the individual's contribution toward achievement of that program based on properly completed observations and evaluations.

In no case shall any choice be based on arbitrary, capricious or discriminatory reasons.

The Superintendent shall prepare guidelines for restructuring positions and for determining objectively which employees are to be dismissed as a result, and shall present his/her recommendations to the Board for action.

3150 DISCIPLINE

The Board of Education directs all teaching staff members to observe statutes of the State of New Jersey, rules of the State Board of Education, policies of this Board, and duly promulgated administrative rules and regulations governing staff conduct. Violations of those statutes, rules, policies and regulations will be subject to discipline.

The Superintendent shall deal with disciplinary matters on a case by case basis. Discipline measures will include verbal and written warnings as appropriate and will provide, wherever possible, for progressive penalties for repeated violations. Penalties may include suspension, withholding one or more increments, and dismissal.

In the event disciplinary action is contemplated, notice will be given to the teaching staff member in ordinary and concise language of the specific acts and omissions upon which the disciplinary action is based; the text of the statute, policy, or rule that the member is alleged to have violated; a date when the member may be heard and the administrator who will hear the matter; and the penalty that may be imposed.

The Superintendent is required to provide the Board of Education with a verbal report of each employee who has been suspended and the current status of the suspension.

3152 WITHHOLDING AN INCREMENT

Advancements on the salary guide, including annual employment and adjustment increments, are not automatically granted and must be earned by satisfactory performance. Advancements require favorable evaluations of the employee's performance of assigned duties, a satisfactory attendance record, and adherence to the rules of this district and high standards of professional conduct.

The Board of Education may determine, by recorded roll call majority vote of the full membership and at any time prior to the commencement of the school year or contract year in which the employee's salary will vest, to withhold any or all of the increments indicated by the salary guide or by Board policy. In no case will the Board withhold a portion of an increment.

The Board shall, within ten days of its formal action to withhold an increment, give written notice to the affected employee of both the action and the reason or reasons for which it was taken.

The purpose of the Board in withholding increments is to improve the educational program and encourage the highest possible professional performance of its employees. Accordingly, all reasonable efforts will be made to inform employees of any deficiencies that may result in the withholding of an increment and to assist them in the correction of those deficiencies.

An increment withheld may be restored only by action of the Board. Nothing in this policy shall limit the right of a successor Board to restore an employee from whom an increment or increments have been withheld to that place on the salary guide he/she would have achieved had the increment or increments not been withheld.

3159 TEACHING STAFF MEMBER/SCHOOL DISTRICT REPORTING RESPONSIBILITIES

All certificate holders shall report their arrest or indictment for any crime or offense to the Superintendent of Schools within fourteen calendar days in accordance with the provisions of N.J.A.C. 6A:9-17.1. For purposes of this policy, “certificate holders” shall include all individuals who hold certificates, credentials, certificates of eligibility (CEs), and certificates of eligibility with advance standing (CEASs) issued by the State Board of Examiners. For purposes of this policy, the term “certificate” shall include all standard, emergency and provisional certificates, all credentials, and all CEs and CEASs issued by the State Board of Examiners.

The report submitted to the Superintendent shall include the date of arrest or indictment and charge(s) lodged against the certificate holder. Such certificate holders shall also report to the Superintendent the disposition of any charges within seven calendar days of the disposition. Failure to comply with these reporting requirements may be deemed “just cause” for revocation or suspension of certification pursuant to N.J.A.C. 6A:9-17.5. The school district shall make these reporting requirements known to all new employees upon initial employment and to all employees on an annual basis.

The Superintendent of Schools shall notify the New Jersey State Board of Examiners when:

Reporting Responsibilities

In the event the New Jersey State Board of Examiners issues an order to show cause based on the information that the school district provided about the certificate holder, it shall be the responsibility of the school district to cooperate with the Board of Examiners in any proceeding arising from the order to show cause.

The Superintendent of Schools shall also notify the New Jersey State Board of Examiners, in accordance with the provisions of N.J.S.A. 18A:16-1.3, whenever a nontenured, certificated employee is dismissed prior to the end of the school year for just cause as a result of misconduct in office. This notification requirement shall not apply in instances where the employee's contract is not renewed. The Superintendent of Schools will comply with the additional notice requirements to the New Jersey State Board of Examiners in the event it is subsequently determined by a disciplinary grievance arbitration, a court, or an administrative tribunal of competent jurisdiction that the basis for the dismissal did not constitute misconduct in office. In addition, whenever the Superintendent of Schools notifies the New Jersey State Board of Examiners of an employee's dismissal for reasons of misconduct in accordance with the provisions of N.J.S.A. 18A:16-1.3, the employee shall receive a simultaneous copy of the notifying correspondence.

3160 PHYSICAL EXAMINATION

The Board of Education requires each newly employed teaching staff member undergo a physical examination. The physical examination shall include, but is not limited to, a health history to include past serious illnesses and injuries; current health problems; allergies; and a record of immunizations. The physical examination shall also include a health screening to include height and weight; blood pressure; pulse and respiratory rate; vision screening; hearing screening; and Mantoux test for tuberculosis.

A teaching staff member may provide health status information, including medications, which may be of value to medical personnel in the event of an emergency requiring treatment. The staff member may also choose to share with the Principal and, if desired, with the certified school nurse, information regarding current health status to assure ready access in a medical emergency. School employee physicals, examinations and/or annual medical updates do not require screening or disclosure of HIV status.

The physical examinations required by this policy shall be limited to those assessments or information necessary to determine the individual's physical and mental fitness to perform with reasonable accommodation in the position he/she seeks or currently holds and to detect any health risks to pupils or other employees.

Physical examinations required by this policy may be conducted by a physician or institution designated by the Board or, at the employee's election, by a physician or institution designated by the employee and approved by the Board. The cost of any such examination conducted by the physician or institution designated by the Board shall be borne by the Board. The cost of any such examination conducted by the physician or institution chosen by the employee and approved by the Board shall be borne by the employee.

All staff members' medical and health records, including computerized records, will be secured and will be stored and maintained separately from other personnel files. The information contained in medical records will be kept confidential. Only the staff member, the Superintendent, and the school medical inspector shall have access to medical information regarding an individual employee. The section of the medical record that contains the health history may be shared with the staff member's Principal and the school nurse with the consent of the staff member.

3161 EXAMINATION FOR CAUSE

The Board of Education may, in accordance with law, require the psychiatric or physical examination of any teaching staff member who shows evidence of deviation from normal physical or mental health.

The Superintendent shall recommend to the Board the examination of any teaching staff member whose physical or mental conditions so departs from normal health as to adversely affect the performance of the member's duties. Any such recommendation must be accompanied by competent evidence. If the Board determines that deviation from normal health has been demonstrated, it may require that the member submit to a physical or mental examination.

A requirement for physical or mental examination shall be made known to the employee by written notice setting forth the nature of the examination required, the reasons for the requirement, and a statement offering the member the opportunity to appear before the Board to explain or refute those reasons, provided any such hearing is requested in writing within five working days of the receipt of the notice.

A teaching staff member who fails to request an appearance before the Board within the time permitted or, having appeared before the Board, fails to persuade the Board that he/she should not be required to submit to the required examination shall be ordered to submit to an appropriate examination by a physician or institution designated by the Board and at the Board's expense.

The teaching staff member may, at his/her option, submit names of physicians or institutions to the Board for consideration to complete the appropriate examination(s). The Board is not required to designate a physician or institution submitted for consideration by the teaching staff member, but the Board will not act unreasonably in withholding its approval of a physician or institution submitted by a teaching staff member. The cost of the examination will be borne by the Board if the Board designates a physician or institution from the names submitted from the teaching staff member.

If the teaching staff member's request is denied, or if the teaching staff member does not request the Board to consider a physician or institution, the staff member may elect to submit to an appropriate examination conducted by a physician or institution of the teaching staff member's own choosing and at his/her expense, provided the physician or institution so chosen is approved by the Board, pursuant to N.J.S.A. 18A:16-3, and is authorized and directed by the member to report the results of the examination to the Board.

3211 CODE OF ETHICS

The Board of Education endorses the code of ethics for professional educators published by the National Education Association.

Preamble

The educator, believing in the worth and dignity of each human being, recognizes the supreme importance of the pursuit of truth, devotion to excellence, and the nature of democratic principles. Essential to these goals is the protection of freedom to learn and to teach and the guarantee of equal educational opportunity for all. The educator accepts the responsibility to adhere to the highest ethical standards.

The educator recognizes the magnitude of the responsibility inherent in the teaching process. The desire for the respect and confidence of one's colleagues, of pupils, of parent(s) or legal guardian(s), and of the members of the community provides the incentive to attain and maintain the highest possible degree of ethical conduct. The Code of Ethics of the Education Profession indicates the aspiration of all educators and provides standards by which to judge conduct.

The remedies specified by the NEA and/or its affiliates for the violation of any provision of this Code shall be exclusive and no such provision shall be enforceable in any form other than one specifically designated by the NEA or its affiliates.

Principle I -- Commitment to the Pupil

The educator strives to help each pupil realize his/her potential as a worthy and effective member of society. The educator therefore works to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals.

In fulfillment of the obligation to the pupil, the educator--

1. Shall not unreasonably restrain the pupil from independent action in the pursuit of learning.
2. Shall not unreasonably deny the pupil access to varying points of view.
3. Shall not deliberately suppress or distort subject matter relevant to the pupil's progress.
4. Shall make reasonable effort to protect the pupil from conditions harmful to learning or to health and safety.

5. Shall not intentionally expose the pupil to embarrassment or disparagement.
6. Shall not on the basis of race, color, creed, sex, national origin, marital status, political or religious beliefs, family, social or cultural background, or sexual orientation, unfairly--
 - a. Exclude any pupil from participation in any program
 - b. Deny benefits to any pupil
 - c. Grant any advantage to any pupil
7. Shall not use professional relationships with pupils for private advantage.
8. Shall not disclose information about pupils obtained in the course of professional service, unless disclosure serves a compelling professional purpose or is required by law.

Principle II -- Commitment to the Profession

The education profession is vested by the public with a trust and responsibility requiring the highest ideals of professional service.

In the belief that the quality of the services of the education profession directly influences the nation and its citizens, the educator shall exert every effort to raise professional standards to promote a climate that encourages the exercise of professional judgment, to achieve conditions which attract persons worthy of the trust to careers in education, and to assist in preventing the practice of the profession by unqualified persons.

In fulfillment of the obligation to the profession, the educator--

1. Shall not in an application for a professional position deliberately make a false statement or fail to disclose a material fact related to competency and qualifications.
2. Shall not misrepresent his/her professional qualifications.
3. Shall not assist entry into the profession of a person known to be unqualified in respect to character, education, or other relevant attribute.

3211.1 GAMBLING

Playing cards, flipping or matching coins, rolling dice for money, or any other form of gambling shall not be permitted by employees/volunteers. Administrators shall refer employee/volunteer to the Superintendent. Repeated violations will be cause for suspension.

The Board shall not participate or support any gambling or related activity that will benefit pupil or staff.

3211.3 CONSULTING OUTSIDE THE DISTRICT

The Board of Education recognizes that teaching staff members will have expertise and knowledge in areas that other school districts, agencies, and other entities may desire. Recognizing that the school district will request the expertise from teaching staff members from other school districts, agencies and other entities, the Board supports sharing of its teaching staff members with other school districts, agencies, and other entities to the extent it does not interfere with the efficient operation of the school district.

The Superintendent may recommend to the Board a teaching staff member's attendance in another school district, agency or other entity without additional remuneration to the teaching staff member or school district, upon a written request from the agency or from the teaching staff member.

The Board of Education recognizes teaching staff members will have expertise and knowledge in areas that other school districts, public and private agencies, and private business organizations may desire to compensate as a paid consultant. When a teaching staff member serves as a paid consultant, the teaching staff member is not permitted to use normal work hours for any paid consulting activities. The teaching staff member must complete any paid consulting activities on their own time to include vacation days, evenings, weekends, and/or school holidays.

The teaching staff member must comply with the New Jersey School Ethics Act N.J.S.A. 18A:12-21 et seq. and, if required, must comply with financial disclosure requirements of N.J.S.A. 18A:12-24 and 12-25.

N.J.S.A. 18A:12-21 et seq.

Adopted: 30 March 2015

3212 ATTENDANCE

The regular and prompt attendance of teaching staff members is an essential element in the efficient operation of the school district and the effective conduct of the educational program. Staff member absenteeism disrupts the educational program and the Board of Education considers attendance an important component of a staff member's job performance.

A teaching staff member who fails to give prompt notice of an absence, misuses sick leave, fails to verify an absence in accordance with Board policy, falsifies the reason for an absence, is absent without authorization, is repeatedly tardy, or accumulates an excessive number of absences may be subject to appropriate consequences, which may include the withholding of a salary increment, dismissal, and/or certification of tenure charges.

In accordance with N.J.S.A. 18A:30-1, sick leave is defined to mean the absence from work because of a personal disability due to injury or illness or because the staff member has been excluded from school by the school medical authorities on account of contagious disease or of being quarantined for such a disease in the staff member's immediate household. No teaching staff member will be discouraged from the prudent, necessary use of sick leave and any other leave provided for in the collective bargaining agreement negotiated with the member's majority representative, in an individual employment contract, or provided in the policies of the Board. In accordance with N.J.S.A. 18A:30-4, the Superintendent or Board of Education may require a physician's certificate to be filed with the Secretary of the Board in order to obtain sick leave.

The Superintendent, in consultation with administrative staff members, will review the rate of absence among the staff members. The review will include the collection and analysis of attendance data, the training of teaching staff members in their attendance responsibilities, and the counseling of teaching staff members for whom regular and prompt attendance is a problem.

Adopted: 30 March 2015

3214 CONFLICT OF INTEREST

No teaching staff member of the Board of Education shall have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity which is in conflict with the proper discharge of the teaching staff member's duties.

No teaching staff member shall use or attempt to use his/her position to secure unwarranted privileges or advantages.

No teaching staff member of the Board shall act in his/her official capacity in any matter wherein he/she has a direct or indirect personal financial interest.

No teaching staff member of the Board shall accept any gift, favor, service or other thing of value under circumstances from which it might be reasonably inferred that such gift, service or other thing of value was given or offered for the purpose of influencing the teaching staff member in the discharge of his/her duties.

The Board of Education discourages the presentation of gifts to teaching staff members by pupils and their parent(s) or legal guardian(s), because it may embarrass pupils with limited means and give the appearance of currying favor.

The Board directs that teaching staff members instruct their pupils to express their appreciation by means other than gifts.

Teaching staff members may receive gifts of only nominal value from pupils or their parent(s) or legal guardian(s).

The Superintendent may approve an act or gift of appreciation to an individual teaching staff member when special circumstances warrant.

3217 USE OF CORPORAL PUNISHMENT

The policy is designed to create an educational environment that will allow all pupils to learn, teachers to instruct, and administrators to facilitate the day-to-day operation of the school. The policy addresses those actions to be taken if a pupil deviates from accepted behavior. The extent to which a pupil is judged for alleged deviation or violation of school policy will be based upon due process. This policy addresses those behaviors, which are unacceptable in our schools, but is not limited to only those outlined within the plan.

The policy includes a therapeutic as well as disciplinary approach to inappropriate behavior. The therapeutic methods are an attempt to identify the root or cause of inappropriate behavior. The goal is to include the entire school community in the problem-solving process.

Corporal punishment is never part of any aspect of the discipline code. As defined in 18A:6-1, corporal punishment states:

"No person employed or engaged in a school or educational institution, whether public or private, shall inflict or cause to be inflicted corporal punishment upon a pupil attending such school or institution; but any such person may, within the scope of his/her employment, use and apply such amounts of force as is reasonable and necessary:

- A. To quell a disturbance, threatening physical injury to others;
- B. To obtain possession of weapons or other dangerous objects upon the person or within the control of a pupil;
- C. For the purpose of self-defense; and
- D. For the protection of persons or property; and such acts, or any of them, shall not be construed to constitute corporal punishment within the meaning and intentment of this section. Every resolution, bylaw, rule, ordinance, or other act or authority permitting or authorizing corporal punishment to be inflicted upon a pupil attending a school or educational institution shall be void."

This policy will be enforced uniformly and fairly throughout the school district. The Principal, however, has the prerogative to use his/her own judgment if circumstances so warrant. Pupils shall have the right to due process at all times.

In an effort to keep the school community aware of the district's discipline policy and regulations:

3218 SUBSTANCE ABUSE

The Board of Education recognizes a teaching staff member who reports to work under the influence of drugs or alcohol poses a significant threat to their health, safety, and welfare and the health, safety, and welfare of others, including students and other staff members. The Board strongly advises any teaching staff member that has a dependency on a substance as defined in this Policy to seek appropriate treatment. The Board has an obligation and the right to maintain a safe and healthy work environment and adopts this Policy as an important component toward maintaining a safe environment in the school district. A teaching staff member is prohibited from possession, use, distribution, or being under the influence of any substance during work hours or at a school-sponsored function where the teaching staff member has been assigned job responsibilities.

For the purposes of this Policy, “substance” or “substances” means alcoholic beverages, any controlled dangerous substances, including anabolic steroids as defined in N.J.S.A. 24:21-2 and N.J.S.A. 2C:35-2, or any chemical or chemical compound which releases vapors or fumes causing a condition of intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system, including, but not limited to, glue containing a solvent having the property of releasing toxic vapors or fumes as defined in N.J.S.A. 2C:35-10.4, and over-the-counter and prescription medications that are improperly used to cause intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system.

Any teaching staff member who reports to work or attends a school-sponsored function where the teaching staff member has assigned job responsibilities under the influence of or in possession of any substance will be subject to appropriate discipline, which may include termination of a non-tenured teaching staff member or the filing of tenure charges for a tenured teaching staff member in accordance with law.

A teaching staff member shall be required to submit to an immediate medical examination to include a substance test if the Principal or designee has reasonable suspicion to believe a teaching staff member is under the influence of a substance during work hours or at a school-sponsored function where the teaching staff member has been assigned job responsibilities. Refusal of a teaching staff member to consent to the medical examination and substance test will be determined to be a positive result.

In the event a teaching staff member’s medical examination and substance test results are negative for a substance, any documents or records pertaining to the requirement for the examination and test and results will not be maintained by the school district. Any required examination and testing shall be paid for by the Board. The teaching staff member will be afforded the opportunity to have any test results confirmed using acceptable test confirmation practices. This confirming test shall be paid for by the teaching staff member.

In accordance with the requirements of N.J.A.C. 6A:16-6.3(a), any teaching staff member who, in the course of their employment, has reason to believe a school staff member has unlawfully possessed or in any way been involved in the distribution of a controlled dangerous substance, including anabolic steroids, or drug paraphernalia shall report the matter as soon as possible to the Principal, or in the absence of the Principal, to the staff member responsible at the time of the alleged violation. Either the Principal or the staff member shall notify the Superintendent of Schools who shall notify, as soon as possible, the County Prosecutor or other law enforcement official designated by the County Prosecutor to receive such information. The Superintendent or designee shall provide to the County Prosecutor or designee all known information concerning the matter, including the identity of the staff member involved.

In accordance with the provisions of N.J.A.C. 6A:16-6.3(a)3, the Superintendent or designee shall not disclose the identity of a teaching staff member who has voluntarily sought and participated in an appropriate treatment or counseling program for an alcohol or drug abuse problem, provided the teaching staff member is not reasonably believed to be involved or implicated in drug-distribution activities. An admission by a teaching staff member in response to questioning initiated by the Principal or designee or following the discovery by the Principal or designee of a controlled dangerous substance, including anabolic steroids, or drug paraphernalia, shall not constitute a voluntary, self-initiated request for counseling and treatment.

3230 OUTSIDE ACTIVITIES

The Board of Education recognizes that teaching staff members enjoy a private life outside their job responsibilities in the school district. The Board believes the role of the teaching profession is such that teachers exert a continuing influence away from the school district. Accordingly, the Board reserves the right to determine if activities outside the teaching staff member's job responsibilities interfere with their professional performance and the discharge of the member's responsibilities to the students of this district.

All teaching staff members are advised to be governed in the conduct of personal activities by the following guidelines:

1. Teaching staff members shall not devote time during their work day to an outside private enterprise, business, or business organization. They shall not solicit or accept customers for a private enterprise, business, and/or business organization on school grounds during their work day without the express permission of the Superintendent;
2. The Board does not endorse, support, or assume liability in any way for any staff member of this district who takes students on trips not approved by the Board or Superintendent, and shall not be liable for the welfare of students who travel on such trips. Any staff member who takes students of this district on a trip not approved by the Board or Superintendent shall clearly and concisely inform the parent(s) of any student solicited and/or attending such a trip that the trip is not endorsed, supported, approved, or authorized by the Board of Education. A staff member shall not solicit students on school grounds for trips not approved by the Board or Superintendent;
3. The Board does not endorse, support, or assume liability in any way for any teaching staff member of this district who conducts a private activity in which students or employees of this district participate;
4. Teaching staff members shall not send campaign literature home with students, or request, direct, or have students distribute campaign literature on behalf of any candidate for local, State, or national office or for any bond issue, proposal, or any public question submitted at any general, municipal, or school election. No student shall be requested or directed by any teaching staff member to engage in any activity which tends to promote, favor, or oppose any such candidacy, bond issue, proposal, or public question;

The Board of Education will permit, in accordance with this Policy, staff members of this school district to serve as an athletic coach in another school district providing the responsibilities in the other district do not interfere with the performance of the staff member's professional responsibilities in this district.

A staff member who wishes to accept employment as an athletic coach in another school district must request and receive permission to do so from the Superintendent of this district if the staff member may need to request any special accommodation(s) from this school district to fulfill their coaching responsibilities in another school district. A special accommodation may be consideration for a requested duty assignment(s), a temporary work schedule adjustment and/or other considerations. A special accommodation will not be considered if it would violate any provisions of any collective bargaining agreement within the district. 3232 TUTORING SERVICES

School staff members routinely provide time beyond their assigned responsibilities to pupils who need additional help in their academic programs. This additional help is provided by a staff member on school grounds during their free time during their workday or immediately before or after school hours. The time a staff member provides additional help to a pupil is an extension of their assigned school district responsibilities and a staff member may not charge a fee for providing this additional help to pupils.

However, the Board of Education recognizes a school staff member may be privately contracted to provide tutoring services to a pupil in addition to any additional help a pupil receives before, during, and/or after the school day. These tutoring services shall be provided to a pupil under a private agreement between the staff member and the parent and/or pupil. Private tutoring shall not take place on school grounds.

The Board of Education assumes no responsibility, liability, or obligations for the selection of the private tutor or the quality of the private tutoring services. School staff members shall not provide private tutoring services for a fee or any compensation to any pupil that is currently enrolled in their classes.

4. A teaching staff member shall not engage in any activity in the presence of pupils while on school property, which activity is intended and/or designed to promote, further or assert a position(s) on labor relations issues.

A certificated staff member employed by this district who is a member of the Senate or General Assembly of the State of New Jersey shall be entitled to time off from school district duties, without loss of pay, during the periods of his/her attendance at regular or special sessions of the legislature and hearings or meetings of any legislative committee or commission.

3281 INAPPROPRIATE STAFF CONDUCT

The Board of Education recognizes its responsibility to protect the health, safety and welfare of all pupils within this school district. Furthermore, the Board recognizes there exists a professional responsibility for all school staff to protect a pupil's health, safety and welfare. The Board strongly believes that school staff members have the public's trust and confidence to protect the well-being of all pupils attending the school district.

In support of this Board's strong commitment to the public's trust and confidence of school staff, the Board of Education holds all school staff to the highest level of professional responsibility in their conduct with all pupils. Inappropriate conduct and conduct unbecoming a school staff member will not be tolerated in this school district.

The Board recognizes and appreciates the staff-pupil professional relationship that exists in a school district's educational environment. This Policy has been developed and adopted by this Board to provide guidance and direction to avoid actual and/or the appearance of inappropriate staff conduct and conduct unbecoming a school staff member toward pupils.

School staff's conduct in completing their professional responsibilities shall be appropriate at all times. School staff shall not make inappropriate comments to pupils or about pupils and shall not engage in inappropriate language or expression in the presence of pupils. School staff shall not engage in inappropriate conduct toward or with pupils. School staff shall not engage or seek to be in the presence of a pupil beyond the staff member's professional responsibilities. Inappropriate conduct by a school staff member outside their professional responsibilities may be considered conduct unbecoming a staff member. Therefore, school staff members are advised to be concerned with such conduct which may include, but is not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other medium that is directed and/or available to pupils or for public display.

A school staff member is always expected to maintain a professional relationship with pupils and to protect the health, safety and welfare of school pupils. A staff member's conduct will be held to the professional standards established by the New Jersey State Board of Education and the New Jersey Commissioner of Education. Inappropriate Staff Conduct

School personnel, compensated and uncompensated (volunteers), are required to report to their immediate supervisor or Principal any possible violations of this Policy. In the event the report alleges conduct by the Principal or the immediate supervisor, the school staff member may report directly to the Affirmative Action Officer. Reports may be made in writing or with verbal notification. The immediate supervisor or Principal will notify the Superintendent of Schools of all reports, including anonymous reports. 3282 USE OF SOCIAL NETWORKING SITES

The Board of Education has a strong commitment to quality education and the well-being of all pupils, as well as the preservation of the school district's reputation. The Board believes staff members must establish and maintain public trust and confidence and be committed to protecting all pupils attending the school district. In support of the Board's strong commitment to the public's trust and confidence, the Board holds all staff members to the highest level of professional responsibility.

The Commissioner of Education has determined inappropriate conduct outside a staff member's professional responsibilities may determine them as unfit to discharge the duties and functions of their position. Staff members should be advised communications, publications, photographs, and other information appearing on social networking sites deemed inappropriate by the Board could be cause for dismissal of a non-tenured staff member or to certify tenure charges against a tenured staff member to the Commissioner of Education.

Staff members are advised to be concerned and aware such conduct deemed inappropriate may include, but is not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other form of electronic communication that is directed and/or available to pupils or for public display or publication.

While the Board respects the right of staff members to use social networking sites, staff members should recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. It is important that a staff member's use of these sites does not damage the reputation of the school district, employees, pupils, or their families. Staff members who utilize, post or publish images, photographs, or comments on social networking sites, blogs, or other forms of electronic communication outside their professional responsibilities shall ensure their use, postings, or publications are done with an appropriate level of professionalism and are appropriate conduct for a school staff member. Staff members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public even without their knowledge or consent.

The school district strongly encourages all staff members to carefully review the privacy settings on social networking sites they use and exercise care and good judgment when posting content and information on such sites. Staff members should adhere to the following guidelines, which are consistent with the district's workplace standards on harassment, pupil relationships, conduct, professional communication, and confidentiality.

When using personal social networking sites, school staff members:

1. Should not make statements that would violate any of the district's policies, including its policies concerning discrimination or harassment;
2. Must uphold the district's value of respect for the individual and avoid making defamatory statements about the school district, employees, pupils, or their families;
3. May not disclose any confidential information about the school district or confidential information obtained during the course of his/her employment, about any individual(s) or organization, including pupils and/or their families;
4. Shall not use social networking sites to post any materials of a sexually graphic nature;
5. Shall not use social networking sites to post any materials which promote violence;
6. Shall not use social networking sites which would be detrimental to the mission and function of the district;
7. Are prohibited from using their school district title as well as adding references to the district in any correspondence including, but not limited to, e-mails, postings, blogs, and social networking sites unless the communication is of an official nature and is serving the mission of the district. This prohibition also includes signature lines and personal e-mail accounts;
8. Shall not post updates to their status on any social networking sites during normal working hours including posting of statements or comments on the social networking sites of others during school time unless it involves a school project. Employees must seek approval from the Superintendent of Schools for such use; and
9. Shall not post or publish any information the Commissioner of Education would deem to be inappropriate conduct by a school staff member.

The Policy of this district is to maintain a level of professionalism both during and after the school day. Depending on the severity of the incident, the staff member may be subject to disciplinary action.

3283 ELECTRONIC COMMUNICATIONS BETWEEN TEACHING
STAFF MEMBERS AND STUDENTS

The Board of Education recognizes electronic communications and the use of social media outlets create new options for extending and enhancing the educational program of the school district. Electronic communications and the use of social media can help students and teaching staff members communicate regarding: questions during non-school hours regarding homework or other assignments; scheduling issues for school-related co-curricular and interscholastic athletic activities; school work to be completed during a student's extended absence; distance learning opportunities; and other professional communications that can enhance teaching and learning opportunities between teaching staff members and students. However, the Board of Education recognizes teaching staff members can be vulnerable in electronic communications with students.

In accordance with the provisions of N.J.S.A. 18A:36-40, the Board of Education adopts this Policy to provide guidance and direction to teaching staff members to prevent improper electronic communications between teaching staff members and students.

The Commissioner of Education and arbitrators, appointed by the Commissioner, have determined inappropriate conduct may determine a teaching staff member unfit to discharge the duties and functions of their position. Improper electronic communications by teaching staff members may be determined to be inappropriate conduct.

3310 ACADEMIC FREEDOM

The curriculum adopted by the Board of Education is designed to address the educational goals established for this school district and to meet the needs of pupils. The course guides prepared for each course of study describe the material to be covered in each course and, in general, the approach to be employed by the teaching staff member responsible for the course.

The Board recognizes that some deviation from the course guide is necessary to the free exchange of ideas within the classroom. Exposure to a wide range of ideas encourages the spirit of inquiry that is essential to the learning process; the thorough examination of those ideas aids pupils in developing powers of reasoning and in acquiring habits of academic discipline.

The Board directs that the discussion of any issue not specifically covered by the course guide be conducted in an unprejudiced and dispassionate manner. The Board will not condone classroom discussion that is unrelated to the educational goals of this district or to the subject of the course of study, disrupts the educational process, does not match the maturity level of the pupils, neglects to inform pupils of various responsible points of view on the subject under discussion, or fails to take into account the sensibilities of the community.

3321 ACCEPTABLE USE OF COMPUTER NETWORK(S)/COMPUTERS AND
RESOURCES BY TEACHING STAFF MEMBERS

The Board recognizes that as telecommunications and other new technologies shift the manner in which information is accessed, communicated and transferred that those changes will alter the nature of teaching and learning. Access to telecommunications will allow teaching staff members to explore databases, libraries, Internet sites, bulletin boards and the like while exchanging information with individuals throughout the world. The Board supports access by teaching staff members to information sources but reserves the right to limit in-school use to materials appropriate to educational purposes. The Board directs the Superintendent to effect training of teaching staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

Employees who are assigned a district email account are required to review their email messages at least twice a work day, approximately four hours apart.

The Board also recognizes that telecommunications will allow teaching staff members access to information sources that have not been pre-screened using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer network(s) and declares unethical, unacceptable, inappropriate or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, instituting legal action or taking any other appropriate action as deemed necessary.

The Board provides access to computer network(s)/computers for administrative and educational purposes only. The Board retains the right to restrict or terminate teaching staff member's access to the computer network(s)/computers at any time, for any reason. The Board retains the right to have the Superintendent or designee monitor network activity, in any form necessary, to maintain the integrity of the network(s) and ensure its proper use.

Any individual engaging in the following actions declared unethical, unacceptable or illegal when using computer network(s)/computers shall be subject to discipline or legal action:

1. Using the computer network(s)/computers for illegal, inappropriate or obscene purposes, or in support of such activities. Staff Member's Use of Cellular Telephones/
Personal Electronic Communication Devices

3322 STAFF MEMBER'S USE OF CELLULAR TELEPHONES/ PERSONAL ELECTRONIC COMMUNICATION DEVICES

The Camden City Board of Education recognizes a school teaching staff member may need to make a personal telephone call during their workday when the telephone call cannot be made before the staff member reports to work and/or after the staff member's workday has concluded.

For the purpose of this policy "telephone call or personal telephone call" shall mean any form of communication by an electronic communication device capable of receiving or transmitting any type of communication between persons.

In the event the staff member has an occasion to make a personal telephone call during their workday, and the telephone call is of such a nature that it cannot be made before the staff member's workday begins or after the workday has concluded, the school staff member may make a personal telephone call using their personal cellular telephone during the workday provided the telephone call is made during the staff member's duty free lunch or break periods and/or preparation periods for teaching staff and is made outside the presence of pupils in an area inside the school building designated by the staff member's Principal or immediate supervisor.

A personal telephone call by a school staff member on their personal cellular telephone shall not be made while the staff member is performing assigned school district responsibilities.

In the event the staff member has an emergency requiring immediate attention that requires the personal use of their personal cellular telephone, the teaching staff member shall inform their Principal or immediate supervisor before or immediately after using the cellular telephone, depending on the nature of the emergency.

3324 RIGHT OF PRIVACY

The Board of Education will provide facilities and school district-owned property to assist staff members in their job responsibilities or for the staff members' convenience. These facilities or district-owned property may include, but are not limited to, an office, a storage closet, a filing cabinet, a locker, and/or a desk. The Principal or designee may provide a staff member with exclusive use and access to such facilities or school district-owned property or may require the facility or school district-owned property be shared with other staff members. The staff member may be provided a lock or key by the school district or may secure the facility or school district-owned property using their own locking device with permission from the Principal or designee.

School staff members should be aware their expectation of privacy in these facilities and/or the school district-owned property provided by the Board of Education is reduced by virtue of actual office practices and procedures, for searches conducted pursuant to an investigation of work-related employee misconduct, or by legitimate school district policies or regulations. In addition, staff members shall have a reduced expectation of privacy in these facilities and school district-owned property if there is reasonable suspicion the staff member is violating a law or school policy. School staff members shall be on notice this reduced expectation of privacy may result in such facilities and/or school district-owned property being searched without a search warrant. In order to avoid exposing personal belongings to such a search, school staff members are discouraged from storing personal papers and effects in these facilities or school district-owned property.

3340 GRIEVANCE

The Board of Education shall develop and practice reasonable and effective means for the resolution of disputes that may arise in the employment of teaching staff members not covered by the terms of a negotiated agreement.

The Board directs that any grievance not provided for by negotiated agreement be resolved by submission to the following grievance procedure, which is designed to promote proper and equitable settlement of grievances at the lowest appropriate level and to facilitate an orderly process for the resolution of grievances.

For the purposes of this policy, "grievance" means an unresolved problem concerning the application or interpretation by an officer or employee of this district of law, regulations of the State Board of Education, the bylaws or policies of the Board, or the administrative regulations of the Superintendent; "grievant" is a district employee who alleges a grievance or the employee's representative; "party" means the grievant or any person named in the grievance as allegedly having violated a law, bylaw, policy, or regulation; and "day" means a school day.

A grievant may use personal leave time when it becomes necessary to process a grievance during school hours. A grievance that arises late in the school term will be submitted to an expedited process in order that the grievance may be resolved as soon after the school term as possible. There will be no reprisal of any kind taken against any employee or employee's representative for participation in a grievance.

Any alleged grievance should, at the first instance, be discussed in one or more private, informal conferences between the parties involved or between the grievant and his/her immediate supervisor. A grievance not resolved in one or more such private meetings may be processed in accordance with the following procedure.

Level One

Within three working days of the occurrence of the act or omission giving rise to the grievance, the grievant must present his/her grievance in writing to the grievant's immediate supervisor. The written document will be a clear, concise statement of the grievance and will include the law, rule, policy, or regulation that the grievant alleges to have been violated; the factual circumstances on which the grievance is based; the person or persons involved; the decision, if any, rendered at the private conference; and the remedy sought.

Within seven working days the supervisor shall present a decision to the grievant in writing. If the supervisor does not respond during the time permitted, the grievant may appeal to the next level.

Level Two

A grievant not satisfied with a decision at Level One may appeal that decision in writing to the Superintendent within three working days after receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal will include a copy of the original grievance; the decision rendered, if any; the name of the grievant's representative, if any; and a clear, concise statement of the reasons for the appeal of the decision.

The Superintendent shall present a decision to the grievant within seven working days. If no decision is rendered within that time limit, the grievant may appeal to the next level.

Level Three

A grievant not satisfied with the Superintendent's decision may appeal that decision in writing to the Board within three working days after the receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal to the Board will include copies of the original grievance, the appeal of that grievance at Level Two, and the decisions, if any.

The Board shall schedule the grievance for hearing to be held within forty-five calendar days of the presentation of the appeal. The grievant shall be present at the hearing.

Within ten calendar days of the hearing, the Board shall submit its decision in writing together with reasons that support the decision to the grievant. A copy of the decision shall be given to the Superintendent and to any other party to the grievance.

The decision of the Board shall be final.

3351 HEALTHY WORKPLACE ENVIRONMENT

The Board of Education recognizes a healthy workplace environment enables school district administrative and teaching staff members to fully contribute their expertise and skills to their school district responsibilities. A healthy workplace environment can improve productivity, reduce absenteeism, and reduce staff turnover while having a positive impact on the school district's programs provided to pupils in the school district.

A significant characteristic of a healthy workplace environment is that employees interact with each other with dignity and respect regardless of an employee's work assignment or position in the school district. Repeated malicious conduct of an employee or group of employees directed toward another employee or group of employees in the workplace that a reasonable person would find hostile or offensive is unacceptable and is not conducive to establishing or maintaining a healthy workplace environment. This unacceptable conduct may include, but is not limited to, repeated infliction of verbal abuse such as the use of derogatory remarks; insults; verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating; or the gratuitous sabotage or undermining of a person's work performance. A single act of such conduct shall not constitute the unacceptable conduct prohibited by this policy unless it is especially severe and egregious.

Unacceptable conduct, for the purposes of this policy, is not conduct toward an employee of a protected class or because of the employee's protected activity. These employees and activities are afforded the legal protections under various Federal and State anti-discrimination laws. In addition, unacceptable conduct for the purposes of this policy shall not be confused with conduct of management employees exercising management rights including, but not limited to, assigning tasks, reprimanding, assigning discipline, or directing.

Employees who believe the conduct prohibited by this policy has been directed toward them or to another employee of the school district shall submit a written report to the Superintendent of Schools. The written report shall provide specific details supporting the claim including, but not limited to, the specific conduct; the names of witnesses (if any) who may have observed such conduct; dates or times when such conduct occurred; and any other information the person(s) making the report believes will be informative and helpful to an investigation of the allegations. Upon receipt of a report, the Superintendent or designee will conduct an investigation and upon completion of the investigation will inform the person(s) who made the report such an investigation was completed. The amount of investigation information shared with the person(s) making the report will be at the discretion of the Superintendent or designee and may vary depending on whether the conduct reported was directed to the person(s) making the report, confidential personnel matters, and/or other issues as determined by the Superintendent or designee.

Healthy Workplace Environment

If the investigation determines conduct prohibited by this policy has taken place, the Superintendent or designee will meet with the offender(s) and the victim(s) to review the investigation results and to implement remedial measures to ensure such conduct does not continue or reoccur. Appropriate disciplinary action may be taken depending on the severity of conduct.

There shall be no reprisals or retaliation against any person(s) who reports conduct prohibited by this policy.

Adopted: 30 March 2015

3362 SEXUAL HARASSMENT

The Board of Education recognizes that an employee's right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school district and intolerable in a workplace to which the children of this district are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee's gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

The sexual harassment of any employee of this district is strictly forbidden. Any employee or agent of this Board who is found to have sexually harassed an employee of this district will be subject to discipline which may include termination of employment. Any employee who has been exposed to sexual harassment by any employee or agent of this Board is encouraged to report the harassment to an appropriate supervisor. An employee may complain of any failure of the Board to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board's action or inaction to the United States Equal Employment Opportunity Commission or the New Jersey Division of Civil Rights. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation No. 1530, Equal Employment Opportunity.

The Affirmative Action Officer shall instruct all employees and agents of this Board to recognize and correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

Adopted: 30 March 2015

3370 TEACHING STAFF MEMBER TENURE

The Board of Education recognizes that the benefit of tenure is conferred by law on teaching staff members who have completed the requisite period of probationary service in this school district. The Board also recognizes that certain service does not qualify the teaching staff member who performs that service for the grant of tenure.

Tenure in any administrative or supervisory position as listed in N.J.S.A. 18A:28-5 shall accrue only by employment in that administrative or supervisory position. Tenure so accrued will not extend to any other administrative or supervisory position and nothing shall limit or restrict tenure rights which were or may be acquired pursuant to N.J.S.A. 18A:28-6.

The Board specifically directs that service in the following positions will not accrue toward the tenure status and will be performed only under contract renewable at the discretion of the Board:

1. Substitute teacher acting in the absence of another employee;
2. Summer school teacher;
3. Co-curricular advisor;
4. Athletic coach; and
5. Department chairperson other than a supervisor.

Nothing in this policy will be deemed to confer tenure on any employee who serves in a position not listed above and for whom tenure is not provided by law.

3381 PROTECTION AGAINST RETALIATION

The Board of Education will take no retaliatory action, by discharge, demotion, suspension, or any other adverse action, against an employee because that employee has conscientiously:

1. Disclosed or threatened to disclose to a supervisor or public body an activity, policy, or practice of this Board or any district officer that the employee reasonably believes to be in violation of law or rule;
2. Provided information to a public body conducting an investigation, hearing, or inquiry into any alleged violation of law by the Board or an officer of this district; or
3. An employee who has reason to believe that the Board has engaged in an illegal activity or an activity contrary to public policy must report that belief in writing to the Superintendent before notice is given to a supervisor or a public body. The Superintendent shall promptly report the same to the Board and institute an investigation of the reported activity. The findings of the investigation will be reported in writing to the Board and to the employee.

The protection of law and this policy apply only to employees who have given notice in accordance with this policy and have afforded the Board a reasonable period of time to take any corrective action that may be required or have acted in circumstances that the employee believes in good faith constitute an emergency.

The Superintendent shall post notice of this policy and inform employees of their rights under the New Jersey Conscientious Employee Protection Act.

Extra Pay for Extra Work

Professional staff will be expected to assume reasonable duties over and above their regular responsibilities. Activities and services, which make minor demands on their time, shall be part of their basic assignment. Administrators will strive to equalize such duties among staff.

Extra responsibilities that make major demands on staff time may be rewarded with extra compensation. Such jobs and the compensation therefore, shall be in accordance with the current negotiated agreement.

3420 BENEFITS

The Board of Education shall be obligated to pay for the health benefits of all full-time employees as defined by the Board or employees who are on approved leave of absence with pay, pursuant to negotiated contracts.

It shall be the employee's responsibility to fulfill the re-enrollment requirements, upon returning from approved leave, in order to be reinstated in the health benefits plan covered by the Board.

Subject to change by State or Federal regulations, employees who are on approved leave of absence without pay for other than illness may purchase health coverage for up to nine months provided the employee pays the full premium cost of the coverage, in advance, through the Board.

Any employee who has been absent without approved leave, has abandoned his/her position or has been terminated shall no longer be provided with health care benefits through the Board of Education.

Any such employee shall seek the workers' compensation benefits to which he/she is entitled by law.

An employee whose disability has qualified for the receipt of workers' compensation benefits shall be presumed eligible for work related disability pay under this policy. Any employee who qualifies for work related disability pay under this policy will be entitled to receive full pay during the period he/she is on disability leave of absence, for up to twelve consecutive months.

As a condition of receiving full salary, an employee who receives workers' compensation benefits for his/her work-related disability must endorse and deliver to the Board all workers' compensation temporary disability checks received for the period covered by this policy.

3425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM – TEACHING STAFF MEMBERS

New Jersey's workers' compensation laws provide lost wages and pay medical expenses for an employee who sustains an injury as a result of an on-the-job accident, injury, or occupational disease. Workers' compensation is designed to protect school district employees and their families against the hardships from injury arising in the workplace. In an effort to assist school staff in recovering from an eligible workers' compensation injury, the Board provides a Modified Duty Early Return To Work Program. The Program is provided to staff members who have been injured on the job, but who are not permanently disabled. The Program is intended to minimize the negative psychological impact to an injured staff member due to being out of work and to provide a transition and adjustment period for the injured staff member to return to work while recovering from an on-the-job injury.

The school district may assign temporary modified duties and responsibilities to staff members that have sustained an eligible workers' compensation injury. These employees may temporarily perform duties and responsibilities that may or may not be within their job description, or may or may not be within their department. The modified duties and/or responsibilities will be within the injured staff member's capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

The modified duties and responsibilities will be determined by the Department of Talent and Labor Relations, the district's designated Workers' Compensation Coordinator, after a medical examination and evaluation of the injured staff member by the Board's designated workers' compensation physician. The Workers' Compensation Coordinator will determine if the injured staff member is eligible for modified duties or responsibilities. This determination will be based on:

1. The workers' compensation physician's examination and evaluation report;
2. The injured staff member's capabilities to assume modified duties or responsibilities;
3. The availability of modified duties and responsibilities within the district at the time; and/or
4. Other issues that may impact the district's ability to assign modified duties and responsibilities.

3431 UNCOMPENSATED LEAVE

A. Unauthorized Leave

1. Definition of Unauthorized Leave

The Board of Education recognizes that certain absences are justifiable and will provide for employee absences authorized by law and consistent with contractual agreement.

Unauthorized leave of absence is when an employee is absent from his/her duties without authorization and/or prior approval. Sick, personal and vacation leave is authorized only if taken in accordance with the appropriate collective bargaining agreement or Board policy. Extended leaves of absence, with or without pay, are authorized only if approved in advance of the first day of the leave.

An employee is deemed to be on unauthorized leave at such time, and on such occasions, as the employee may absent himself/herself from required duties without proper notification, in accordance with Board policy and/or contract agreement.

2. Disciplinary Action

Unauthorized leave shall constitute a breach of contract and, therefore, may result in the initiation of dismissal procedures, loss of salary or such disciplinary action as may be deemed appropriate.

Beginning on the first day of unauthorized leave, no authorization of payment shall be made in favor of any employee who has not faithfully performed all duties prescribed.

An employee shall receive as salary only an amount that bears the same ratio to the established annual salary as the time he/she serves bears to the required days of service.

3. Verification of Absence

The Superintendent, or his/her designee, has the authority to require a physician's written verification for any leave less than six days. Employees must submit medical certification if absent on medical leave six consecutive days or more. This medical verification shall be submitted no later than after the sixth consecutive day of absence.

All requests for extended leaves of absence must be in writing, include a medical certificate containing the diagnosis and the expected date of return, and must be originally signed by the physician. This information shall be submitted at least five calendar days before the leave requested. In no instance shall an employee commence an extended leave of absence without Board approval. If extended leave must be commenced due to an emergency, before Board approval, the Superintendent or designee has the discretion to authorize the employee to commence leave until the next Board meeting subject to Board approval/disapproval of the leave.

Leaves of absence shall not be approved for more than three months at a time. No employee will be granted a leave of absence for more than one year (twelve consecutive months). The Superintendent shall not extend leave beyond one year, without submission of documents and Board approval. If the employee fails to produce documents, this will result in forfeiture of position and/or termination.

B. Authorized Leave

All requests for leaves, for extensions of leaves and for renewals of leaves, must be made in writing no less than five days prior to the first date requested as leave. No employee shall hold employment during the approved leave time. Exceptions must be approved by Board action.

A. Introduction

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member.

NJFLA leave for teaching staff members shall be up to twelve weeks leave of absence in any twenty-four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

B. Applicability

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.
2. The NJFLA provides twelve weeks leave in a twenty-four month period while the FMLA provides twelve weeks leave in a twelve-month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty-four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve-month period under the FMLA.

3. In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve week family leave for their own pregnancy, which is considered a "serious health condition" under FMLA, and upon conclusion of the twelve week FMLA leave, the staff member would be eligible for a twelve week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)

C. Definitions

1. Federal Family and Medical Leave Act (FMLA)

"Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider.

"Week" is the number of days an employee normally works each calendar week.

"Staff member" means an employee eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).

2. New Jersey Family Leave Act (NJFLA)

“Serious health condition” is an illness, injury, impairment, or physical or mental condition that requires inpatient care in a hospital, hospice, or residential medical facility or continuing medical treatment or continuing supervision by a health care provider.

“Week” is the number of days an employee normally works each calendar week.

“Staff member” is an employee eligible for family leave in accordance with the New Jersey Family Leave Act.

D. Eligibility

1. Federal Family and Medical Leave Act (FMLA)

A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve-month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive months pursuant to 29 CFR Part 825 Section 110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR Part 785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve-month period beginning on the date of such birth or placement.

Pursuant to 29 CFR Part 825 Section 202, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve-month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the spouse, son, daughter, or parent of the staff member with a serious health condition.

The method to determine the twelve-month period in which the twelve weeks of FMLA leave entitlement occurs will be a “rolling” twelve-month period measured backward from the date a staff member uses any family leave.

A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

2. New Jersey Family Leave Act (NJFLA)

A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve-month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.

A staff member during any period of the NJFLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs will be a “rolling” twenty-four month period measured backward from the date a staff member uses any leave.

E. Types of Leave

1. Federal Family and Medical Leave Act (FMLA)

A staff member may take FMLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

- a. Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.
- b. Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.
- c. Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken can not exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.
- d. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

- e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

- f. "Instructional employees" as defined in 29 CFR 825 Section 600(c) are those staff members whose principal function is to teach and instruct pupils in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired. Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, Child Study Team members, curriculum specialists, cafeteria workers, maintenance workers and/or bus drivers are not considered instructional employees for the purposes of this policy. Semester as defined in 29 CFR 825 section 602(a)(3)(b) means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. A school district can have no more than two semesters in a school year.
 - i. Leave taken at the end of the school year and continues into the beginning of the next school year is considered consecutive leave.
 - ii. In accordance with 29 CFR 825 section 601(a)(1), eligible instructional staff members that need intermittent or reduced leave to care for a family member, or for the staff member's own serious health condition which is foreseeable based on planned medical treatment and the staff member would be on leave more than twenty percent of the total number of working days over the period the leave would extend, the district:

- (a) May require the staff member to take the leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
 - (b) Transfer the staff member temporarily to an available alternative position for which the staff member is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the staff member's regular position.
- iii. If the instructional staff member does not give the required notice for leave that is foreseeable and desires the leave to be taken intermittently or on a reduced leave schedule, the district may require the staff member to take leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the district may require the staff member to delay taking the leave until the notice provision is met.
- iv. In accordance with 29 CFR 825 Section 602, if an instructional staff member begins leave more than five weeks before the end of the school year, the district may require the staff member to continue taking leave until the end of the semester if:
 - (a) The leave will last three weeks, and
 - (b) The staff member would return to work during the three-week period before the end of the semester.
- v. In accordance with 29 CFR 825 Section 602, if an instructional staff member begins leave for a purpose other than the staff member's own serious health condition during the five-week period before the end of the semester, the district may require the staff member to continue taking leave until the end of the semester if:
 - (a) The leave will last more than two weeks; and
 - (b) The employee would return to work during the two-week period before the end of the semester.

(Example of leave falling within these provisions: If a staff member plans two weeks of leave to care for a family member which will begin three weeks before the end of the term, the district could require the staff member to stay out on leave until the end of the term.)

- vi. In accordance with 29 CFR 825 Section 602, if an instructional staff member begins leave for a purpose other than the staff member's own serious health condition during the three week period before the end of a semester, the district may require the staff member to continue taking leave until the end of the semester if the leave will last more than five working days.
- vii. In the event the district requires the instructional staff member to take additional leave to the end of the semester in accordance with iv., v., or vi. above, the additional leave days shall not be counted as FMLA leave.

2. New Jersey Family Leave Act (NJFLA)

A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

- a. In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, can not exceed a twelve-month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.
- b. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty-four consecutive weeks. The

staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

- c. The fact that a holiday may occur within the week taken by a staff member as family leave has no effect and the week is counted as a week of family leave. However, if the staff member is out on family leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

F. Notice

1. Federal Family and Medical Leave Act (FMLA)

- a. Foreseeable Leave - A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Department of Talent and Labor Relations if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as

much as thirty days notice “as soon as practical” ordinarily would mean at least verbal notification to the Department of Talent and Labor Relations within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

When planning medical treatment, the staff member must consult with the Department of Talent and Labor Relations and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Department of Talent and Labor Relations prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.

The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.

- b. Unforeseeable Leave - When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Department of Talent and Labor Relations for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Department of Talent and Labor Relations within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, facsimile machine or other electronic means.
2. New Jersey Family Leave Act (NJFLA)
 - a. Foreseeable Leave - A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Department of Talent and Labor Relations of the need to take family leave except where the need to take family leave is not foreseeable.
 - i. Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the employee shall provide such notice that is reasonable and practicable.

- ii. Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.
 - iii. When the Department of Talent and Labor Relations is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.
- b. Unforeseeable Leave - When the need for leave is not foreseeable, the staff member must provide notice “as soon as practicable” which shall be at least verbal notice to the Department of Talent and Labor Relations within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Department of Talent and Labor Relations, but any verbal notice must be followed by written notice delivered within two working days.

G. Leave Designation

An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The Department of Talent and Labor Relations shall provide the staff member with this Policy to assist the staff member in determining the type of leave.

H. Benefits

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act shall be unpaid leave.

The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any instructional employee who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the employee would normally receive if they had been working at the end of the school year.

I. Returning from Leave

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act

A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.

The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.

If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:

1. The continuation, onset or recurrence of a serious health condition of the staff member; or
2. Circumstances beyond the staff member's control.

J. Ineligible Staff Members

1. Federal Family and Medical Leave Act (FMLA)

The district may deny job restoration after FMLA leave if the staff member is a "key employee" as defined in 29 CFR 825 Section 217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious

health condition. A “key employee” is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be “key employees.”

In the event the Department of Talent and Labor Relations believes that reinstatement may be denied to a key employee, the Department of Talent and Labor Relations must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district’s operations will result if the staff member is reinstated from leave. The district’s notice must explain the basis for the district’s finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.

A key employee’s rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district’s notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.

2. New Jersey Family Leave Act

The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district’s operations. The Department of Talent and Labor Relations shall notify the staff member of the intent to deny the leave at the time the Department of Talent and Labor Relations determines the denial is necessary. If the leave has already commenced at the time of the district’s notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.

K. Verification of Leave

1. Federal Family and Medical Leave Act (FMLA)

The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent, or due to the staff member's own serious health condition that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the health care provider of the staff member or the staff member's ill family member. The certification must meet the requirements of 29 CFR Section 825.306 to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.

In the event the Department of Talent and Labor Relations doubts the validity of the certification, in accordance with 29 CFR Section 825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.

The district may require re-certification pursuant to the requirements of 29 CFR Section 825.308. In accordance with 29 CFR Section 825.309, the staff member on leave must provide a written report to the Department of Talent and Labor Relations every thirty workdays. The report shall include the staff member's status and intended date to return to work. In the event the staff member's circumstances change, the staff member must provide reasonable notice to the Department of Talent and Labor Relations

if the staff member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member's own serious health condition, and in accordance with 29 CFR Section 825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.

In accordance with 29 CFR Section 825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR Section 825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.

2. New Jersey Family Leave Act

The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.

In the event the Department of Talent and Labor Relations doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district's expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district's expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.

L. Interference with Family Leave Rights

The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.

M. Non-Tenured Teaching Staff

Family leave granted to a nontenured staff member cannot extend the employee's employment beyond the expiration of his/her employment contract.

N. Record Keeping

In order that staff member's entitlement to FMLA leave and NJFLA leave can be properly determined, the Superintendent shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Superintendent will publish a notice explaining the Act's provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.

Implementation of FMLA and NJFLA will be consistent with provisions in collective bargaining agreement(s) in the district.

3431.3 NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey – Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer-provided private plan.

A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty-day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.

A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.

For the purposes of this Policy, "family member" means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. New Jersey's Family Leave Insurance Program

The NJFLI provides eligible individuals a monetary benefit and not a leave benefit. The school district administrative and related staff will comply with the State of New Jersey - Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.A.C. 12:21-3.9.

The Board may elect to provide employees with Family Leave Insurance benefits coverage under a private plan which must be approved by the State of New Jersey – Department of Labor and Workforce Development.

A printed notification of covered individuals' rights relative to the receipt of benefits under the NJFLI will be posted in each of the school district worksites and in a place or places accessible to all employees at the worksite. Each employee shall receive a copy of this notification in writing at the time of the employee's hiring, whenever the employee provides written notice to the Superintendent of their intention to apply for benefits under the NJFLI, or at any time upon the first request of the employee. The written notification may be transmitted to the employee in electronic form.

3432 SICK LEAVE

The Board of Education shall grant sick leave, in accordance with law, to teaching staff members absent from work because of personal disability or quarantine. Each steadily employed employee eligible for sick leave will be entitled annually to the number of paid sick leave days negotiated with the employee's majority representative or provided in this policy or in an individual contract with the Board.

The Board reserves the right to require of any employee who claims sick leave, sufficient proof, including a physician's certification, of the employee's illness or disability. As a minimum, no day will be considered to be a sick leave day on which the employee has engaged in or prepared for other gainful employment, has participated in a work stoppage, or has engaged in any activity that would raise doubts regarding the validity of the sick leave request.

The Superintendent will prepare rules for the administration of the Board's policy on sick leave, which shall be binding on all employees.

The Superintendent will submit to the Board the names of those employees absent for non-compensable cause or whose claim for sick leave pay cannot be justified. The willful misuse of sick leave will be considered a serious infraction and is subject to discipline.

3433 VACATIONS

The Board of Education believes that the school district benefits when teaching staff members employed to work twelve months a year are given periodic relief from the responsibilities of their positions without loss of compensation.

The Board reserves the right to determine the conditions under which vacation time may be taken when not otherwise covered by the terms of a negotiated agreement or in an individual contract with the Board.

3435 ANTICIPATED DISABILITY

The Board of Education shall provide for leaves of absence, in accordance with law and the policies of this Board, for any employee of this district not covered by the terms of a negotiated agreement whose absence from duties will be required for a foreseeable event of disability such as childbirth or surgery.

An employee who anticipates disability shall so notify the Department of Talent and Labor Relations as soon as the employee is under medical supervision for the condition and a date is projected for the anticipated disability. Because of the potentially disabling nature of pregnancy and the certainty of temporary disability at birth, the Board will presume that a pregnant employee is disabled for work thirty days before the anticipated date of childbirth and continues to be disabled for thirty days after birth, except that any such employee who presents medical certification of her fitness may continue to work until she is actually disabled and may return to work as soon as she is able.

The Board reserves the right to require an employee who requests an extended leave of absence that includes anticipated disability to commence and/or terminate the leave at times that ensure continuity in the educational program in accordance with Policy No. 3431. No person who is required to take leave at a time other than that requested will be denied the use of sick leave for the anticipated disability that occurs or is presumed to occur during the leave.

An employee who anticipates a disability may request a leave of absence to commence before disability and to extend beyond the period of disability. Any such request shall be subject to Board discretion and the Board's policy on leave of absence. An employee on voluntary leave of absence is not eligible for sick leave pay for disability occurring during the period of that absence.

3439 JURY DUTY

The Board of Education will indemnify any teaching staff member against loss of pay incurred by a call to jury duty. No such employee will be penalized in any way for an absence caused by service on a panel of grand or petit jurors. The time any such employee is absent on jury duty will not be charged against personal leave and will count as school district service.

Teaching staff members shall report a call to jury duty during the school term to the Principal or their immediate supervisor who shall determine whether or not a replacement is available. Teaching staff members scheduled for jury service during the school term for whom the administration indicates a replacement cannot reasonably be found shall seek from the Assignment Judge an excusal or deferment of service. An employee summoned to jury duty shall promptly report the summons to his/her immediate supervisor. On return from jury duty, the employee must submit to his/her immediate supervisor a court record of the number of days served on jury duty.

While on jury duty, an employee must report daily to his/her supervisor the schedule for the following day and must report to work when he/she is excused from jury duty for half a day or more or suffer loss of pay.
