To Whom It May Concern:

The Camden City School District is closed, effective Monday, March 16, 2020. In compliance with Executive Order 104, signed by Governor Murphy on March 16, 2020, and readopted by Executive Order 107, signed on March 21, 2020, all elementary and secondary schools, including charter and renaissance schools, are to remain closed until a determination is made by the Governor that schools may be reopened.

During the closure, students will continue to have access to remote learning plans. Please note, the closure affects all school programming, including before- and after-school activities, all athletic and extracurricular practices and competitions during this time. In addition, no childcare is provided during the time period that the schools are closed.

Please do not hesitate to contact me if you have any questions or if you need any further clarification.

Sincerely,
