

Transportation: Inclement Weather Practices

In the event of inclement weather, the Department of Transportation Services has outlined the following procedures:

- If the Camden City School District public schools are closed:
 - transportation to and from all schools (public, non-public, and charter schools) will not be provided by the District or its vendors.
- In the event of a two-hour delay for District public schools:
 - All buses for all schools (public, non-public, and charter schools) will run on a two-hour delay.
 - Example: if there is a two hour delay and your student's normal pick up time is 7:15am, the delayed pick up time would be 9:15 am.
- In the event of an early dismissal for the School District:
 - All buses will run on an early dismissal schedule.
- Check [here](#) for local media information on school closings or delays around the Camden region
